## INTRODUCTION

This handbook is designed to help you as Family Independence Agency (FIA) Foster Parents, Child Placing Agencies, Child Caring Institutions and other approved paid placements to correctly bill and receive payments from FIA for foster care or residential care. The table of contents can be consulted to direct you to a particular question or area. This handbook will explain how and when payments are made, the different types of payments that may be available, what to do or who to call if errors occur or if you have a question about a payment.

The payments referred to in this book are the **FIA payments** made on behalf of children funded by the State Ward Board and Care Fund and Federal Title IVE Funds of the Social Security Act. If you are not sure of the funding source or, where payments will come from for a youth in your care, ask the FIA case worker responsible for the youth.

## FAMILY FOSTER CARE RATES

The family foster care payment rates are determined from the USDA standard cost of raising a child. These rates are reviewed annually and adjusted according to changes in the cost of living standards. The payment rates include the normal expenses such as food, replacement and maintenance of clothing, spending money and the cost of personal items, such as diapers, deodorant and shampoo.

Residential Care rates and Child Placing Agency Administrative rates vary by the type of care provided and programs offered.

## DIFFICULTY OF CARE SUPPLEMENT FOR FAMILY FOSTER CARE

There are instances in which the age appropriate payment does not cover extraordinary care or expenses that may be required of a foster parent. A Difficulty of Care Supplement or a Medically Fragile Supplement may be approved by the FIA. Difficulty of Care Supplements require completion of documentation assessing the *extraordinary* needs of the child.

Examples of reasons for Difficulty of Care Supplements include:

- Physical handicaps requiring foster parents to provide measurably greater supervision and care.
- Special psychological or psychiatric needs requiring extraordinary time and attention.

**Difficulty of Care Supplements are time limited and require FIA approval at supervisor or above level, both initially and at each review.**

## AUTHORIZATION

It is the FIA caseworker's responsibility to determine the appropriate payment source and to authorize payment for a youth's board and care. When this process is completed, and payment is from FIA, you will receive a **Notice of Authorization**<sup>1</sup>. This will show the amount of payment authorized for the youth's care. You will begin to receive **Children's Foster Care Invoices**<sup>2</sup> which you must fill out and submit to the FIA Payment Control Section in order to receive payments.

**Note: Authorization of payments is a critical process that must be completed at least every 6 months by the FIA caseworker assigned to the youth. You will not continue to receive invoices if the authorization of payments has not been completed. If you do not receive an invoice for a youth who continues to be in your care, contact the assigned FIA caseworker.**

Along with your invoice, a return envelope will be enclosed. Child Placing Agencies and Residential Institutions will be required to pay return postage.

**The time frame for receiving a Notice of Authorization and Children's Foster Care Invoice may take longer due to the approval process, which can include the supervisor, county director, zone office and policy office, in some cases. Therefore, do not become alarmed if you do not receive a Notice of Authorization or a youth is not listed on the invoice.**

<sup>1</sup> See Exhibit A, Notice of Authorization

<sup>2</sup> See Exhibit B, Children's Foster Care Invoice

## PAYMENT PROCESS

It is important that you keep accurate records for payments that you receive. Write down the youth's actual placement date and removal date. An invoice submitted for dates prior to the actual placement date will not be paid.

The initial Children's Foster Care Invoice covers a two-week period that includes the youth's actual placement date. Check the billing period dates on the top of each invoice as you may receive more than one invoice the first time. Be sure that the invoice billing period matches the time period on which you are reporting. You will receive an invoice from the Payment Control Section every two weeks which covers the next two-week billing period.

## CHILDREN'S FOSTER CARE INVOICE (FIA-4765) <sup>3</sup>

The Children's Foster Care Invoice is a two part form. Keep the second copy of the invoice for your own records. The invoice holds up to nine youths per page. If a mistake is made in reporting for one of the youths, payment will be made for the remaining youths while the error for the one is being resolved.

An invoice is to be completed **after the billing period end date**. An invoice submitted before the end of a billing period will cause a delay in payment. Send it to the FIA Payment Control Section in Lansing. When filling out an invoice, use only a # 2 lead pencil. Only mark in the space provided. Marking outside the space or in other areas will delay payment. Once completed, tear off the carbon copy of the invoice and save it for your records.

After each payment, you will receive a **Statement of Payments** <sup>4</sup> and the next invoice in separate envelopes. The Statement of Payments provides you with an explanation of the last board and care payment received. If an error is indicated on the Statement of Payments, refer to the **Error Message Definitions** <sup>5</sup> for additional information.

**Carefully review each invoice and Statement of Payments for accuracy.**

<sup>3</sup> See Exhibit B, Children's Foster Care Invoice

<sup>4</sup> See Exhibit C, Statement of Payments

<sup>5</sup> See Exhibit D, Error Message Definitions

## HOW TO COUNT DAYS IN CARE

Begin with the actual date of placement and mark that day on the invoice. If the youth has remained in your care, mark the remaining days of the billing period.

Subsequent invoices are completed for a 14 day period for as long as a youth remains in care. To correctly count placement days, always count the first day the youth was placed, and every day of care after, until the youth's placement has ended. **When the placement ends, do not count the last day of care.**

The following are examples of how to count days of care:

### EXAMPLE 1

Billing Period 9/14/98 to 9/27/98. Patty Peppermint has been in a your care for several billing periods, she is moved on 9/24/98. Tom Thumb is placed in your care on 9/20/98 and removed on 9/23/98.

Provider is eligible for **10 days** of payment for Patty Peppermint and **3 days** of payment for Tom Thumb.

**Note: Do not count the actual day the youth left your care.**

## EXAMPLE 2

Billing Period: 9/14/98 to 9/27/98. **Sam Stone remains in the provider's care for the "full Billing Period" of 14 days from 9/14/98 to 9/27/98. Mary Morgan was on a 3 day home visit, approved by her FIA case worker, then returned to the provider's home.**

1	4 CASE NAME	5 RECIPIENT ID	6 CASE NUMBER	7 AUTH. LOAD NUMBER

Provider is eligible to receive payment for **14 days** of care for both Sam and Mary, see how to count approved days of absence.

**When a youth has remained in your care for the full two-weeks, including an approved absence, mark the "Full Billing Period" space. Sign and return the invoice at the end of the Billing Period.**

## APPROVED DAYS OF ABSENCE

An approved absence is any regularly planned temporary absences, such as attending summer camp or home visits. When the **FIA case worker** approves the days of absence, you are able to receive payment for up to 5 days, as long as the placement is maintained and the youth is to return to your care.

You must have prior approval from the assigned FIA case worker before payment for these temporary absences can be made. For all **approved temporary absences**, mark the invoice the same as regular days of care.

## UNAPPROVED DAYS OF ABSENCE

Unapproved days of absence are also known as truanancies, AWOL, or Escape. These are situations when a youth leaves a placement **without permission and remains absent overnight**. Unapproved absences must be reported to the FIA caseworker as soon as possible so that the absence can be recorded on the system.

Many times, a youth, after leaving a placement without permission, will be returned to the same placement. This could occur within the same billing period. However, payment authorization is stopped effective the day the youth left. Even if the youth returns within the same billing period, **you are only to use the invoice up to, but not including, the day the youth left your care.**

Another authorization of payment must be completed by the FIA caseworker. You will receive another Notice of Authorization and invoice for the same period of time for the youth.

The following are examples for counting days of care if a youth truants.

### EXAMPLE 3

Billing Period: 9/14/98 to 9/27/98. Jack and Jill truant on 9/20/98. **The FIA caseworkers are required to end the payment authorization within 24 hours of the youths leaving the placement.**

1	4 CASE NAME BEAN JILL	5 RECIPIENT ID 7856458909	6 CASE NUMBER V1098542Q	7 AUTH. LOAD NUMBER 3300112233

8 FULL BILLING PERIOD	9 PER DAY	MO TU WD TH FR SA SU	MO TU WD TH FR SA SU	
		● ● ● ● ● ● ●	● ● ● ● ● ● ●	

The provider submits for only **6 days** of care for each youth.

**Remember, the FIA caseworker must end the payment authorization within 24 hours. This occurs even if the youth returns to the same provider's care after days of unapproved absence.**

## RECEIVING PAYMENTS

If the completed invoice is received by the Payment Control Section, before noon, on the Wednesday following the end of a billing period, it will be scanned and processed through the payroll on Friday / Saturday. The warrant information will then be sent to the state's accounting system on the following Tuesday. The information is returned to Treasury on Wednesday morning and the check will be mailed that evening. Invoices and payrolls are processed every week, for mailing dates see **Payment Schedule**<sup>6</sup> at the end of this handbook.

**Example:** The billing period ends on Sunday (1/1). You mail the invoice to the Payment Control Section on Monday (1/2). They receive it on Wednesday morning (1/4). The invoice is then scanned and processed through the payroll (1/6). On Tuesday (1/ 10), the warrant information is sent to the state's accounting system. Your check will be mailed out by the Treasury Department on Wednesday (1/11). Thus it has taken ten days from the end of the billing period until the check is in the mail to you.

However, if you were to forget to mail the invoice until Thursday (1/5), the invoice would be scanned and processed in next week's payroll (1/13). The warrant information would be sent to the state's accounting system on Tuesday (1/17) and your check would be mailed out by the Treasury Department on Wednesday (1/18).

**Note: State and federal holidays, and other postal delays, can slow down the payment process.**

---

<sup>6</sup>See Exhibit G, Payment Schedule

## HELPFUL TIPS:

- Use only a #2 lead pencil to complete the invoice.
- Do not mail the invoice **until after** the end of the billing period.
- When invoices are received, review them for accuracy.
- The invoice is a two part form, keep the second copy for your records. Always submit the original invoice to the FIA Payment Control Section.
- **Remember the placement payment rule:** Always count the first day of placement, but not the day the placement ends.
- **Approved leaves** from a provider's care require prior-approval from the assigned FIA case worker.
- When a youth goes on an unapproved absence (truants, AWOL/Escape), payments on the current invoice stop. Contact the FIA caseworker as soon as possible.
- Review the Statement of Payments,<sup>7</sup> State of Michigan Remittance Advice<sup>8</sup> and Error Message Definitions<sup>9</sup> for information on the payments you receive.
- If you have a question, call the Payment Information Unit at 1-800-444-5364.

## OVERPAYMENTS

It is the responsibility of the assigned FIA caseworker to ensure that the authorization time period is correct. It is important that you submit invoices with the correct number of days of placement for each youth. The new payment system is designed to avoid making overpayments. If an overpayment occurs, contact the youth's assigned FIA caseworker who will make a referral to the Payment Reconciliation unit to initiate the repayment process as FIA requires that repayment be made to the State of Michigan.

## ADJUSTING FOR AN UNDERPAYMENT

Occasionally an underpayment occurs. A common reason for an underpayment would be if the case worker authorizes the standard daily rate and conditions soon indicate that a Difficulty of Care Supplement is appropriate. After completion of the Difficulty of Care documentation with the foster parent and completion of required approvals, a retroactive adjustment can be made by the FIA caseworker.

You will not need to complete a second invoice for the same billing period. In this situation, you already completed an invoice stating that care was provided for the youth during the time period. The payment adjustment for the underpayment will be included in a future check and be indicated on a Statement of Payments.

<sup>7</sup> See Exhibit C, Statement of Payments

<sup>8</sup> See Exhibit E, State of Michigan Remittance Advice

<sup>9</sup> See Exhibit D, Error Message Definitions

## NON-SCHEDULED PAYMENTS

A non-scheduled payment is a request for such things as an initial clothing allowance, tutoring, graduation expenses, limited mental health, medical and dental services. Each category of non-scheduled payment has its own requirements regarding age, documentation, legal status of the youth and necessary approvals.

The non-scheduled payment process will also enable the FIA caseworker to request corrections for services prior to the start up date of this new system. These corrections will be reviewed on a case by case basis by the Foster Care Policy Office before being entered on the system for payment.

A room and board authorization must be in place for the same time period in order for a non-scheduled payment to be made. These payment requests are processed by the FIA caseworker, generally after submission of receipts. Any questions regarding requests for non-scheduled payments must be discussed with the assigned FIA caseworker prior to incurring the expense. Upon approval, the payments are included with the next regularly scheduled payroll.

The Statement of Payments will not show the non-scheduled payments since they are processed outside of the invoice process. Instead, these will be listed directly on the State of Michigan Remittance Advice (check stub). The ***reason*** for the non-scheduled payment will be indicated on the check stub as a CFC Service Code number. CFC Service Code numbers and their corresponding reasons can be found in, Exhibit F, **Non-Scheduled Payments Service Codes** at the end of this manual.

## SEMI-ANNUAL CLOTHING ALLOWANCE AND HOLIDAY ALLOWANCE

The semi-annual clothing allowance is automatically sent to providers for children who are in state paid family foster care placements on August 31 and March 1. The holiday allowance is automatically sent for children who are in state paid placements (family foster care or youth who are in an Independent Living placement) on December 1. These allowances will be paid on the next payroll ***after*** these dates.

## REPLACING A LOST OR DESTROYED INVOICE

If you lose an invoice or the one you received was accidentally thrown away or destroyed, there are two things you can do:

- Request a replacement of the **entire invoice** by contacting the Payment Information Unit at 1-800-444-5364. Your FIA caseworker will not be able to do this for you.
- Use a Children's Foster Care Invoice **FIA-4765X** which is a blank version of the regular invoice. You will need to hand write all the identifying information as it appears on other invoices. This blank invoice will be available from the FIA county office. Please refer to the

DID YOU KNOW...

directions on the back of the form. This form will not be scanned when it reaches the Payment Control Section so it may take longer to process.

## **REPLACING A LOST OR DESTROYED CHECK**

If a check becomes lost, destroyed, stolen, or undelivered, there are certain steps that must be followed.

If lost, call the Payment Information Unit to verify that a check was written and find out its mailing date. The process to replace it cannot be started until four days have passed since the check was mailed. Next, contact the post office to determine if the postman can verify delivery.

If you believe your check was stolen, you must report the theft to the police.

If the check was destroyed, save the remains of the check. It must be attached to the affidavit referenced below.

Warrants (checks) reported lost, destroyed, not received or stolen may be replaced / rewritten after recovery is made on the original warrant. Recovery means that the value of the warrant has been credited back to the account it was written from or if a forged warrant has cleared Treasury, that the person who cashed the forged warrant has reimbursed the state.

An **Affidavit Claiming Lost, Destroyed, Not Received or Stolen State Treasurer's Warrant** or an **Affidavit Claiming Forged Endorsement** is required to replace a warrant. In most cases, the affidavit must be notarized. These forms are available at the local FIA office. There are several special procedures involved in warrant replacement. The FIA caseworker or the Payment Information Unit will help you with this process.

Should a check be lost or destroyed contact the Payment Information Unit at 1-800-444-5364 to determine which worker will initiate the replacement process. Be sure to have your copy of the invoice available when you call.

## **RECORD KEEPING:**

It is suggested that you keep copies of all Children's Foster Care Invoices, Statements of Payments, State of Michigan Remittance Advice documents (check stubs) and Notices of Authorization. These will help you if you need to call the Payment Information Unit for assistance with any questions or problems related to a particular payment.

## **MAILING ADDRESS:**

Mail the invoice to:

PAYMENT CONTROL SECTION  
Family Independence Agency  
P O Box 30025  
Lansing, MI 48909-7525

## **PAYMENT INFORMATION UNIT:**

If you need assistance from the FIA Payment Information Unit. The telephone number is:  
**1-800-444-5364.**

## **CALL THE PAYMENT INFORMATION UNIT WHEN:**

- you have non-child-specific payment questions
- you do not understand what an error message means on your Statement of Payments, after checking the definitions in Exhibit D.
- you want to determine if and when a check has been issued and mailed
- you need to know if authorization has been entered into the system
- you receive an invoice which is in error; for example, the youths listed are not those youths who are in your care
- you lose an invoice or a check

## **CALL THE FIA CASEWORKER WHEN:**

- you have not received a Notice of Authorization. Allow at least two weeks from the date of placement.
- You notice an error on an invoice, for example, an inaccurate case number or misspelling of a child's name.
- you do not know if you should expect an invoice for a youth in your care.

## QUESTIONS AND ANSWERS

### 1. What is a billing period?

A billing period is a two-week period of time. There are 26 billing periods in a year. All children's foster care billing periods begin on a Monday and end two weeks later on a Sunday. Check the Payment Schedule<sup>10</sup> for the begin and end dates of the billing periods.

### 2. What is a Children's Foster Care Invoice<sup>11</sup>?

An invoice is a report that identifies the youth(s) for whom payment authorization was in effect during a two-week billing period. At the end of the billing period, you as the provider, complete the invoice by marking the number of days in care for each youth. You sign and date the invoice and mail it to the Payment Control Section in Lansing. Keep the second copy of the invoice for your records.

### 3. What is a Statement of Payments<sup>12</sup>; and what should I do with it?

A Statement of Payments is a detailed explanation and break down of your board and care payment. Carefully review it for accuracy and keep it for future reference. You will receive a Statement of Payments for each board and care check you receive from the State of Michigan.

### 4. How often will I receive payment?

When you mail a completed and signed invoice to the Payment Control Section in Lansing, payment will usually be mailed out within two weeks.

---

<sup>10</sup> See Exhibit G, Payment Schedule

<sup>11</sup> See Exhibit B, Children's Foster Care Invoice

<sup>12</sup> See Exhibit C, Statement of Payments

**5. How do I count days of care when a child goes on an approved leave (e.g. home visits), or is on an unapproved leave (AWOL/Escape)?**

An approved leave is counted the same way as the other days of placement for that youth. When an unapproved leave (AWOL/Escape) occurs, payment stops if the youth is absent over night. Review that section of this handbook on page 6 for more information.

**6. During a billing period, another youth is placed into my care. I have not yet received an invoice with the youth's name on it. Can I enter this youth's information on the invoice I already have?**

Yes, but it is better not to enter any information about the newly placed youth on the preprinted invoice because it will delay your payment. It will be better to wait until you receive a Notice of Authorization and an invoice for the youth. Subsequent invoices will have all youths listed who are in your care.

The preprinted invoice is designed to be electronically scanned. An invoice with hand entered information will be rejected and will need to be manually processed which will cause a delay in payment. A Children's Foster Care Invoice, FIA-4765X, will be available from your worker if you wish to hand enter information about youths in your care for whom you do not have an invoice. FIA-4765X's are all processed manually for payment.

**7. Several weeks ago we had a child placed with us but we still have not received an invoice. What do we do?**

Contact the FIA caseworker assigned to the youth to determine what the hold up is. Once the authorization process is completed, you will receive a Notice of Payment Authorization<sup>13</sup> and an invoice from Lansing. Remember you will only receive this for youth whose care is paid for by the State of Michigan. County Child Care funded youth are not covered by this payment system.

**8. What should I do if an invoice is lost or destroyed?**

You can contact the Payment Information Unit at 1-800-444-5364 to obtain a replacement of an entire invoice for the billing period.

Or, you can use the FIA-4765X and hand enter all the identifying information. This is a blank invoice available at the FIA county office.

**9. What do I do if I identify errors on the invoice I just received?**

If the error is specific to one youth contact the FIA caseworker responsible for the youth. If it is not, call the Payment Information Unit.

---

<sup>13</sup> See Exhibit A, Notice of Payment Authorization

**10. What do I do if the check (warrant) is lost or destroyed?**

If a check is not received, lost, destroyed or stolen, there are specific steps that must be taken. Refer to page 10.

**11. I have mislaid the return envelope. Where do I send the invoice if I put it in my own envelope?**

The mailing address is:

Payment Control Section  
Michigan Family Independence Agency  
P O Box 30025  
Lansing, MI 48909-7525

If you do use your own envelope it will delay payment.

**12. Is it OK to send to, or drop off the invoice at the local FIA office?**

No! Do not send an invoice to a local FIA office. It will delay the payment. Send all invoices to the Payment Control Section in Lansing.

**13. Should I keep copies of Children's Foster Care Invoices,<sup>14</sup> Statements of Payments<sup>15</sup> and State of Michigan Remittance Advice<sup>16</sup> documents?**

Keeping good records is always a good idea. Keep all of the payment information you receive in a secure area for future reference should there be any questions on a particular payment. The invoice is a two part form. Mail the original to the Payment Control Section; keep the second part for your records. It is very important for providers to review every Statement of Payments and Remittance Advice (check stub) they receive for foster care and report errors to the FIA caseworker.

**14. What do we do if we receive an overpayment or experience an underpayment?**

Contact the local FIA caseworker for that youth. The worker will make an adjustment according to the situation.

**15. What about semi-annual clothing allowances and non-scheduled payments? Do I have to ask the FIA caseworker for these?**

Semi-annual clothing allowances and the holiday allowance are automatically sent based on payment authorizations in effect for the billing period in which these payments are made. There will be no need to send in an invoice separately for the semi-annual clothing allowance nor to ask for these payments.

---

<sup>14</sup> See Exhibit B, Children's Foster Care Invoice

<sup>15</sup> See Exhibit C, Statement of Payments

<sup>16</sup> See Exhibit E, State of Michigan Remittance Advice

Non-scheduled payments must be requested and are processed by the assigned FIA caseworker on an individual basis. Generally, a payment authorization must be in effect for the youth during the time that non-scheduled payment request is made. Talk to the FIA caseworker **before** incurring the expenses to assure reimbursement.

The explanation of the non-scheduled payment will not be included in the Statement of Payments. Non-scheduled payments will be listed on the State of Michigan Remittance Advice (check stub) as they are paid outside of the invoice process. The *reason* the non-scheduled payment was issued will be displayed in a service code column with a CFC number. A list of non-scheduled payment service code CFC numbers and their corresponding reasons can be found in Exhibit F on page 23.

# CHILDREN'S FOSTER CARE INVOICE (FIA-4765)

## PURPOSE AND GENERAL INFORMATION

- Submit an Invoice for children listed in order to receive foster care payments.
- Return the Invoice after the end of the two-week billing period. The billing period is printed on the top right hand corner and always ends on a Sunday.
- Do not write messages or notes on the Invoice. This will delay the payment.
- Do not write in additional names of children on the Invoice. You will get another Invoice for newly placed children once the foster care payment is authorized.

**Note:** Payments will be made only if there is an Authorization on the FIA computer system, entered by FIA staff. You will get a notice when payment is authorized.

## INSTRUCTIONS

For each child listed, use a pen or a pencil and fill in the correct number of days of care for the two week (14 day) billing period. If the child was in your care for the entire 14 day billing period, fill in the space for the full period. See example below:

1	4 CASE NAME JOHNNY JONES	5 RECIPIENT ID 0102030404	6 CASE NUMBER V1234567A	7 AUTH. LOAD NUMBER 3310001104
8 FULL BILLING PERIOD	9 PER DAY	MO TU WD TH FR SA SU	MO TU WD TH FR SA SU	

If the child was in care for less than the 14 days, indicate which days the child was in your care. Always indicate the last **full** day of care. See example below:

**Note:** The last **full** day of care is the day prior to the day the child left your home or your facility. Payments are made for the first day of care or day of admission, but not for the day of departure.

In the following example, Jane Jones was in the home from Monday through Friday of the first week and left the placement on Saturday afternoon. The invoice should be completed as follows.

1	4 CASE NAME JANE JONES	5 RECIPIENT ID 0071538920	6 CASE NUMBER V2345671A	7 AUTH. LOAD NUMBER 1900000307
8 FULL BILLING PERIOD	9 PER DAY	MO TU WD TH FR SA SU	MO TU WD TH FR SA SU
